

ASA release - Part Pictures

You can add parts photos to parts for easier recognition.

Click the or icon to open the “**Pictures**” tab of the “Memo” window.
Click the icon to open Explorer, and select the photo you want to add.

The screenshot shows the ASA software interface. At the top is a toolbar with various icons. Below it, a header section contains fields for VIN, L300(MMAL), 2400/2WD(VAN)<87M->, and DX(3DOOR/PANEL VAN/MPI),5FI. Below this are fields for Model (P04V), Classification (GSNER8), and Option (000). A section for POI (Main, Sub, Engine, PwrTrain) is also visible. A table lists parts with columns: No, PNC, Ord Qty, Part No, Part Name, Q, and Unit Price. The first row shows part 1 with PNC 04150, Ord Qty 1, Part No MD360935, and Part Name OIL. The second row shows part 2 with PNC 04199P, Ord Qty 1, Part No MF241261, and Part Name BOLT,OIL FILTER. A blue arrow points from the 'OIL' part name to the 'Own pictures' section of the 'Memo' window. The 'Memo' window shows a 'Part No' field with MD360935, a 'Local' dropdown with 'Distributor Pictures', and a 'Pictures' tab. A message states: 'Pictures will be shown for all users under your account AFTER the next Online Update'. Below this is a section titled 'Own pictures' with two icons: a camera with a plus sign and a camera. A large photo of an oil filter is displayed in the center of the window. The date 2022/2/3 is shown at the bottom of the photo area, and a 'Close' button is at the bottom left.

No	PNC	Ord Qty	Part No	Part Name	Q	Unit Price
1	04150	1	MD360935	OIL		21.00
2	04199P	1	MF241261	BOLT,OIL FILTER	02	4.00

- Please prepare the photo you want to add to the part in advance.
- If parts already have a saved photo, you will see a "red" icon, but after you save the first photo, the icon will change after an online update.
- You can also see photos saved by users who have registered the same company ID.
- You can delete the photos saved by yourself. All photos can be deleted by a user who has the administrator role of the Company ID.
